

## 2<sup>nd</sup> Asada Mesh Screen Printing Workshop Europe (September 30<sup>th</sup> and October 1<sup>st</sup>, 2015)

We have invited **60 people** who use **Advanced Screen Printing Technology** in areas like **Photovoltaics, Printed Electronics, Hybrid Thick Film and Wearable Electronics** to share their knowledge with our audience.

### 2015 - Asada Mesh Screen Printing Workshop (Barcelona)

**CSEM – Switzerland**  
**Gallus – Switzerland**  
**CEA / INES – France**  
**Acree – Sweden**  
**AMAT – Italy**  
**SensingTex - Spain**  
**Paymser – Spain**  
**Inspiralia – Spain**  
**Salesianos – Spain**  
**Cemitec – Spain**  
**Functional Print – Spain**  
**Bidasoa – Spain**

**University Stuttgart – Germany**  
**Schreiner Group – Germany**  
**PVF – Germany**  
**Hanwa Q-Cells – Germany**  
**Keck – Germany**  
**Swansea University – UK**  
**Gwent Electronics – UK**  
**ASM – UK**  
**Haydale – UK**  
**European Thermodynamics – UK**  
**Sensata – Belgium**  
**Agfa – Belgium**  
**University of Pardubice – Czech Republic**

**Yingli Solar**  
**Green Graphics**  
**Asada Mesh Co., Ltd**

[www.asada-mesh.co.jp/en/company/index.html](http://www.asada-mesh.co.jp/en/company/index.html)

This year' **Speakers** are listed below and they will make presentations in such products as **High Efficiency Solar Cells, PE Sensors, Printed Smart Textiles and Printed Batteries**. As well, we will have an update on the latest in **Paste Technology** and one presentation on a **New Promising Type of Screen**. Finally, we will have our own presentation which will focus on **Field results** and our **Newest Meshes HSD**.

1. **Professor Hübner - Stuttgart University**
2. **James Claypole - Swansea University**
3. **Tomas Syrový - University of Pardubice**
4. **Mr. Sergiu Pop - Yingli Solar**
5. **Mr. Sebastian Gepp - Schreiner Group**
6. **Mr. Luis Gómez - SensingTex**
7. **Mr. Phil Nicholas - Gwent Electronics**
8. **Mr. Antonin Faes – CSEM (Ne)**
9. **Mr. Scott Hammond - ASM (Formerly Dek)**
10. **Mr. Yasuhiro Morotomi - Asada Mesh Co., Ltd.**
